TOWN OF WHEATFIELD NOTES TO FINANCIAL INFORMATION

Note 1. Introduction

The Town was established under the laws of the State of Indiana. The Town provides the following services: public safety, health and social services, culture and recreation, and general administrative services.

Note 2. Fund Accounting

The Town uses funds to report on its cash and investments and the results of its operations on a cash basis. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain governmental functions or activities.

Note 3. Budgets

The operating budget is initially prepared and approved at the local level. In addition, funds for which property taxes are levied or highway use taxes are received are subject to final approval by the Indiana Department of Local Government Finance.

Note 4. Property Taxes

Property taxes levied are collected by the County Treasurer and are distributed to the Town in June and December. State statute (IC 6-1.1-17-16) requires the Indiana Department of Local Government Finance to establish property tax rates and levies by February 15. These rates were based upon the preceding year's March 1 (lien date) assessed valuations adjusted for various tax credits. Taxable property is assessed at 100% of the true tax value (determined in accordance with rules and regulations adopted by the Indiana Department of Local Government Finance). Taxes may be paid in two equal installments which become delinquent if not paid by May 10 and November 10, respectively. All property taxes collected by the County Treasurer and available for distribution were distributed to the Town on or prior to December 31 of the year collected.

Note 5. Deposits and Investments

Deposits, made in accordance with Indiana Code 5-13, with financial institutions in the State of Indiana at year end were entirely insured by the Federal Depository Insurance Corporation or by the Indiana Public Deposit Insurance Fund. This includes any deposit accounts issued or offered by a qualifying financial institution.

State statute (IC 5-13-9) authorizes the Town to invest in securities including, but not limited to, federal government securities, repurchase agreements, and certain money market mutual funds. Certain other statutory restrictions apply to all investments made by local governmental units.

TOWN OF WHEATFIELD SUPPLEMENTARY INFORMATION SCHEDULE OF LONG-TERM DEBT For the Year Ended December 31, 2006

Description of Debt	 Ending Balance	 Due Within One Year
Business-type Activities: Wastewater Utility Revenue bonds: 1993 Wastewater Improvements	\$ 395,000	\$ 55,000

TOWN OF WHEATFIELD EXAMINATION RESULTS AND COMMENTS

INTEREST ON INVESTMENTS

Interest earned on some investments was automatically added to the principal and not recorded in the records.

Interest on investments should not be automatically added into the investment. Instead, interest on investments should be paid to the governmental unit at each maturity date and posted to the appropriate fund. (Accounting and Uniform Compliance Guidelines Manual for Cities and Towns, Chapter 7)

CAPITAL ASSET RECORDS

Information presented for the audit indicates the Town and the Wastewater Utility do not maintain detailed records of capital assets. Upon purchase, the costs of the capital assets should be added to an aggregate capital asset account, and to subsidiary accounts for land, buildings, etc., in the General Ledger.

Every governmental unit should have a complete inventory of all capital assets owned which reflect their acquisition value. Such inventory should be recorded in the Capital Assets Ledger. A complete inventory should be taken every year for good internal control and for verifying account balances carried in the accounting records. (Accounting and Uniform Compliance Guidelines Manual for Cities and Towns, Chapter 7)

ERRORS ON CLAIMS

The following deficiency was noted on claims during the audit period:

Claims or invoices did not have evidence to support receipt of goods or services.

Indiana Code 5-11-10-1.6 states in part:

- "(b) As used in this section, 'claim' means a bill or an invoice submitted to a governmental entity for goods or services."
- "(c) The fiscal officer of a governmental entity may not draw a warrant or check for payment of a claim unless:
 - (1) there is a fully itemized invoice or bill for the claim;
 - (2) the invoice or bill is approved by the officer or person receiving the goods and services;
 - (3) the invoice or bill is filed with the governmental entity's fiscal officer;
 - (4) the fiscal officer audits and certifies before payment that the invoice or bill is true and correct; and
 - (5) payment of the claim is allowed by the governmental entity's legislative body or the board or official having jurisdiction over allowance of payment of the claim."

TOWN OF WHEATFIELD EXIT CONFERENCE
